

POLICY

Students who have indicated either an Ocean County address or other New Jersey county address on their application are entitled to in-county or out-of-county tuition rates. Ocean County College's in-state tuition policy is governed by New Jersey Administrative code 9A:5-1.1, which requires students to obtain permanent domicile within New Jersey 12 months prior to enrollment. In-County tuition will be granted to students who have established permanent domicile within Ocean County, 30 days prior to the term's census date. In-county or out-of-county tuition will be determined based upon information that students supply on their undergraduate application. Students must provide proof of permanent domicile if requested by Ocean County College.

Qualifications

- An in-county resident is a student who has established permanent domicile in Ocean County at least 30 days prior to the census date within the current term for which they have applied, or is a graduate of an Ocean County high school. PROCEDURE

1. Determination in residency

At the time an individual applies to OCC, the Registration & Records department will determine the applicant's residency status for tuition assessment. As per the New Jersey Administrative Code 9A:5-1.3(a), an institution shall decide each case of student domicile as defined at 9A:5-1.1(a), on the basis of evidence submitted by the individual.

2. Request for a change in residency

Requests for a change in residency status will be accepted no later than the census date in the semester for which the student is registered for. To find the census dates for any term, reference the Registration and Academic Calendars on OCC's website. Students must submit the required documents as per the New Jersey Administrative Code 9A:5-1.1 in accordance with the time limit specified by Ocean County College. In addition, students must submit the Student Information Change form as presented by the Registration & Records department www.ocean.edu/programs-and-courses/registration-forms.

3. Student's Responsibilities

Students are responsible for providing required documents when requested so a residency determination may be made. Students who are classified as a resident, but who become a non-resident at any time by a change of legal residence, are required to notify the Registration & Records department immediately.
