 - Committee updates
4. Upcoming events for club involvement
 - Senator Spotlight (Larissa) on updated website – tabled until the spring 2025 semester.
 - Cultural Spaces Project was discussed and introduced by Jen. This is a project being brought by the “Cultural Spaces Subcommittee” of the Cultural Heritage Committee. Their endeavor is to create spaces around campus that reflect the cultural diversity of the OCC campus student community. Working definition: *“A shared space that is inclusive, respectful and engaging for everyone – a space where students feel valued and one that resonates with the community’s identity, desires, and needs and creates a sense of community.”* Student input is needed.
 - A Video “Conversation with Trustees” that was shared by instructor, Tara Cunningham, by her students was shown at the SGA meeting to get student feedback on the topics that were raised by their peers.
5. Club information / News
6. Campus Community Comments

Additional discussion from students at the conclusion of the meeting involved a suggestion to bring food trucks to campus, the “drip” in the bookstore was discussed essentially a request for the bookstore to make new and/or different merchandise available.

Meeting adjourned at 4:25pm.
