

## Minutes For 4/03/2025 Meeting

Location: Student Center 201 & Webex

### 1. Call to Order

- Michelle called the meeting to order at 3:30 pm
- Attendance: Ellie Dowek, Michelle Youngs

### 2. Unfinished Business

- None

### 3. Discussion

1. **Scholarship Day:** We are going to have a table near the box office on Tuesday, April 15 from 10:45-1:15 where we will provide information on the OCC graduating scholarships. Hopefully we will be able to encourage more students to sign up. I have committed myself to be there and Ellie will be able to be there for part of the time. It would be great if other SGA members could also dedicate time to be there.

We are also going to have information on display to promote Clubs for a Cause as well as the fundraising elements for Helping Hands at CFAC.

2. **Student Experience Committee:** Having more club presence on the website was discussed. The comment at the board of trustee meeting seems to have stemmed from a comment Raven made at a previous conversations with the BOT regarding having headshots and information about club leaders on the website. We discussed a few concerns about this including 1) the fact that there is a lot of turnover in clubs and it would be difficult to keep this up-to-date with all of the clubs; 2) security concerns with putting students on the internet in this way; and 3) this kind of undertaking needs commitment from all involved: the SGA spotlights still not being completed is a good example.

We did talk about, however, that we can make some immediate changes to hopefully provide more information on how to contact the clubs. SL will put a blurb at the top of each page to let students know they can contact SL or the club advisor if they are interested in joining. And the names/emails of the advisors can be added. Faculty and staff emails are already on the website in a different location, so this shouldn't be a security concern.

The student experience committee meeting will be in Manahawkin this month.

- Ellie has committed herself to being at the SGA table for the events below. It would be great if other SGA members were able to assist at these events as well.
  - Clubs for a Cause: Wednesday, April 23 from 12-4
    - Having more people means that everyone also has the chance to walk around and enjoy the event.
  - Spring Day: Thursday, May 1 from 10-2
    - Hopefully officer elections will be able to be held on this day, too.
  - Open House: Saturday, May 3 from 10-1
    - Ellie will be giving tours as well, so having another SGA person available is really important.
    - We can likely put the SGA table near the SL table to assist with coverage.

#### **4. Upcoming Events**

- Clubs for a Cause – Wednesday, 4/23, 12-4pm

#### **5. Meeting adjourned at 4:30 pm**
